

ANNUAL REPORT 2024

www.MomsintheMaking.com

Hello!

As 2024 comes to a close, we're honored to reflect on the life-changing work God has done through Moms in the Making. It's been a year of hope, healing, and growth, and we're grateful to share some highlights with you.

This year, we've witnessed so many powerful stories from women facing infertility and pregnancy loss—women who have found support, community, and encouragement through Moms in the Making.

We also expanded our reach, connecting with women around the world through our online community. And, we hosted three powerful events—our conference, leader retreat, and Night of Ministry—which brought healing to hundreds of people.

Your prayers and generosity have made this possible. We are deeply thankful for you. If you haven't yet joined us in supporting this ministry, we'd love for you to consider partnering with us in 2025. More highlights from 2024 as well as details for 2025 are in the packet below.

We're here for you! If you need prayer or support, please don't hesitate to reach out. Thank you for being part of this journey with us.

PRESIDENT AND FOUNDER

WE SUPPORTED WOMEN IN 44 STATES AND 12 COUNTRIES

Through our virtual and in-person groups and conference, we had members that received direct support from 44 states and 12 countries. In addition, our private online group and social media channels have reached women in over 60 countries!

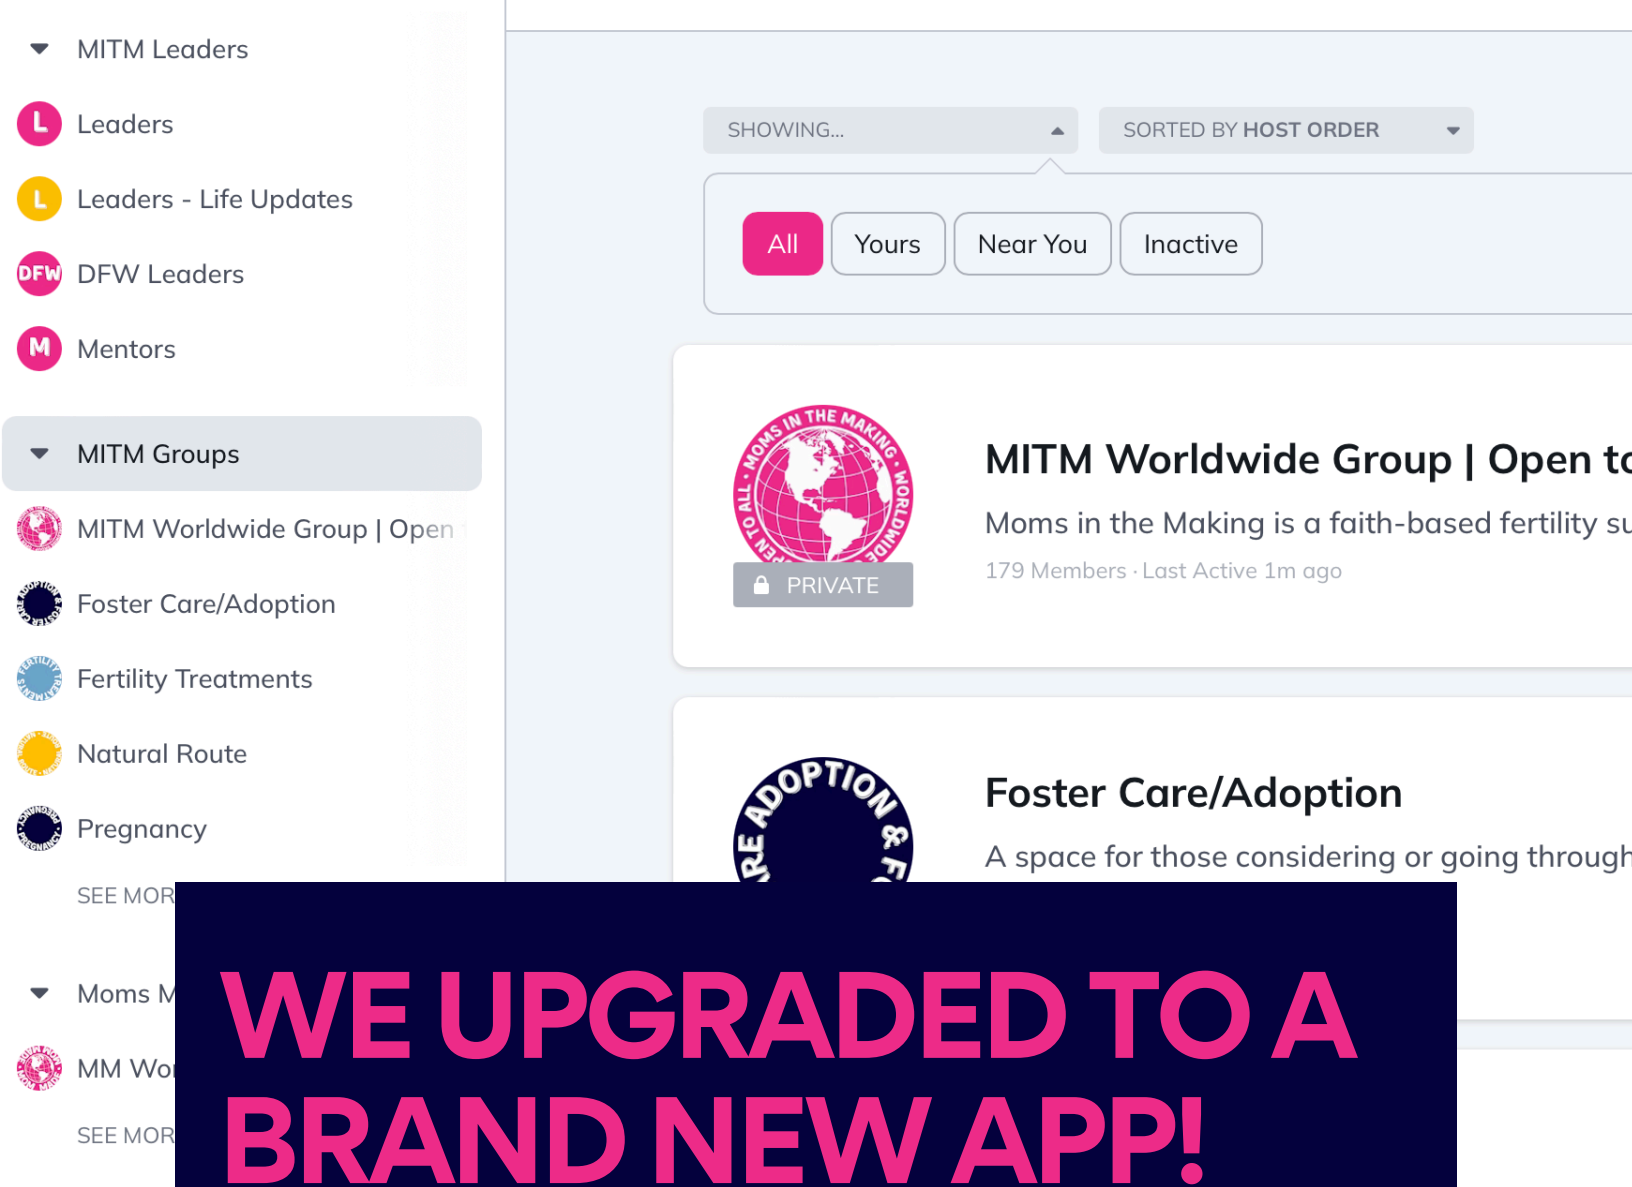

WE GAVE \$7,500 TO 2 COUPLES

Through our Grow Fund Award, presented during our conference and National Adoption Day, we were able to bless two couples with a total of \$7,500! In addition to these gifts, we provided scholarships to approximately 20 individuals for the conference, leader retreat, groups, and leadership development, with an estimated total value of around \$10,000.

WE HOSTED OUR 6TH LEADER RETREAT

This year, we held our leader retreat in Kentucky where 60 leaders from the US, Mexico, and Canada gathered together. The retreat provided an opportunity for these leaders to build connections and find emotional healing. Over the weekend, we focused on uplifting and supporting our leaders so that they could go back home and do the same for the members of the groups they lead.

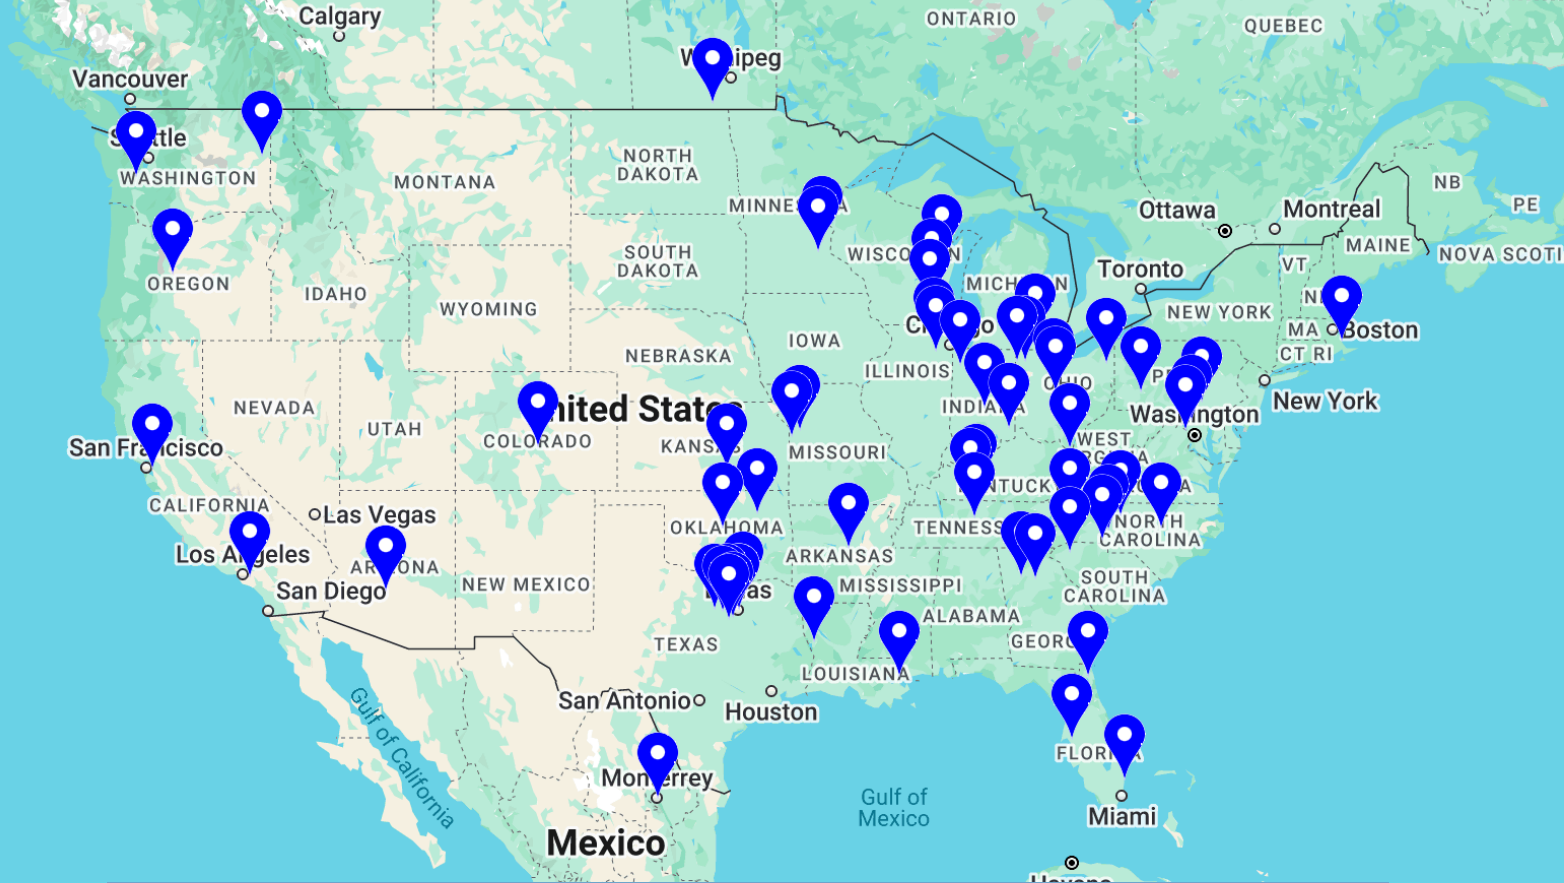

WE UPGRADED TO A BRAND NEW APP!

Thanks to the generous support of so many, we successfully launched a brand-new app in September—an important goal for this year. The upgraded app offers significant improvements, including video resources, better communication tools, enhanced group functionality, and much more. This new platform will greatly improve the user experience and strengthen our ability to serve and engage our community.

WE HOSTED OUR 8TH CONFERENCE!

Over 200 women from more than 30 states and 6 countries gathered for a powerful weekend of worship, connection, heart-healing, and freedom. It was an unforgettable experience as the attendees exchanged their weaknesses for the strength of God!

WE HAVE 90 GROUPS WORLDWIDE!

As we look ahead to 2025, we're thrilled to share that we now have 90 groups! Each of these groups will host a total of 20 gatherings throughout the year, all designed to provide women with a space to feel loved, supported, and connected as they receive encouragement from God's Word.

5 WOMEN GOT BAPTIZED

At this year's conference, we had the incredible privilege of witnessing five women publicly declare their faith through baptism. It was a deeply moving and powerful moment that touched everyone in attendance. As a ministry, we celebrate that we have now baptized 18 women!

WE HOSTED OUR 3RD NIGHT OF MINISTRY FOR COUPLES

In June, we held our third Night of Ministry and it was a wonderful night with our Moms and Dads in the Making. The night was filled with powerful moments of worship, teaching on how to respond to bad news, prayer and prophecy. Thanks to our intercessors who attended, each couple was able to receive a personal prophetic word and prayer.

2025 INITIATIVES

Events

In 2024, we had the privilege of hosting a Leader Retreat, Conference, and Night of Ministry. While these events were deeply impactful, we unfortunately experienced financial losses on all three. As we look ahead to 2025, we are seeking individuals who are passionate about investing in the future of these events, enabling us to offset the costs and continue to offer them at an affordable price for attendees.

Sponsorships & Scholarships

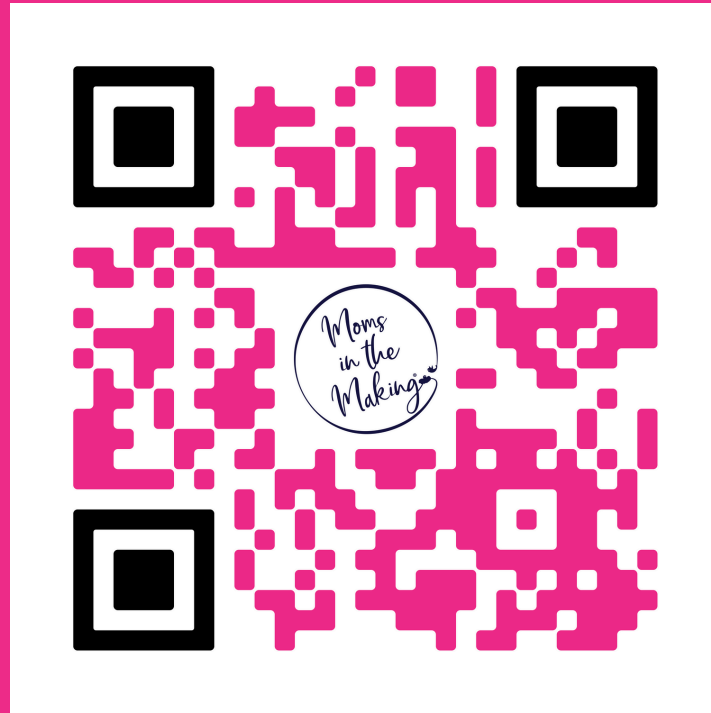

In 2024, we were able to provide \$7,500 in financial gifts to support couples, as well as approximately \$2,500 in scholarships to ensure that women who otherwise couldn't afford it could attend our conference and receive support. In 2025, we hope to expand this initiative even further, continuing to help and equip more women and couples in need.

Other

This category covers vital investments in our technology and infrastructure, including app development, equipment upgrades, and enhancing our digital platforms to better serve women around the world. It also supports leadership training and various operational needs that keep our ministry running smoothly. These funds ensure that we can continue to grow, innovate, and effectively meet the needs of those we serve.

Total Year End Goal = \$100,000

PRAYER REQUESTS

Moms in the Making appreciates any financial support you can give, but we also value your prayers. Here are some specific prayer points for 2025:

- Healing for the heart, mind, and body of every member
- Additional intercessors to join our team
- Monthly financial donors and corporate sponsors to support our mission
- Additional employees and volunteers to help us expand
- Wisdom for our board members to make sound decisions
- Marketing opportunities to promote MITM
- Connections with doctors, therapists, counselors, and other healthcare professionals
- Opportunities to collaborate with local churches to reach more people
- Strengthening our leaders as they provide care and support to our members
- Continued miracles of hearts healed and babies born
